Action Taken Report (2022-23):

Alumni feedback:

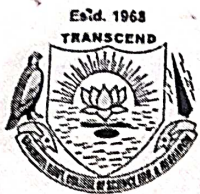

After the analysis of feedback taken from different stakeholders, the following action will be taken for next session:

1. The teachers will be asked about the desired changes in the curriculum to update it and make it more relevant with the present times.
2. College will purchase more books and college library will be updated.

Student's feedback:

After the analysis of feedback taken from different students the following action is desirable for the welfare of the students:

1. More co-curricular activities will be organised in our college for overall development of the students.
2. Remedial classes will be organised to increase the time available for course completion.
3. More efforts will be done to provide better study material to the students.
4. Three digital boards have been installed in the college to make teaching learning more effective and interesting.

Teacher's feedback:

1. The concerned teachers were asked about the desired changes in the curriculum to update it and make it more relevant with the present times.
2. The teachers were asked to give more attention towards slow learners, so that they come near the fast learner in their knowledge.
3. For the effective teaching and learning, three new digital boards have been installed in the three classrooms.
4. College will arrange provisional classes for BSc1 to strengthen the foundation of new students.
5. College will arrange remedial classes in case of requirement.
6. College will ensure wi-fi facility to help teachers.
