LUDHIANA: A two-day science fiesta began at Sanmati Government College of Science Education and Research, Jagraon, on Friday. The fiesta, being organised to inculcate scientific aptitude among students, has been sponsored by the department of biotechnology, Union ministry of science and technology. College director Prof Gurcharan Singh, in his inaugural address, enlightened students on the importance of science in today's world. He accorded a warm welcome to students and teachers from various schools and colleges.

On the inaugural day, a quiz, a power point presentation and essay writing competitions were held for school and college students. In the quiz competition (schools), the first prize was bagged by the team of Govern-

ment Girls Senior Secondary school, Jagraon, the second prize went to GTB National Public Senior secondary School, Dakha, and the Government Senior secondary Smart School, Jagraon (boys) and the third prize was bagged by Government Senior Secondary School, Sidhwan Kalan, and HKS Model Senior Secondary Public School.

In the Power Point presentation (schools), the first prize was bagged by the team of Sanmati Vimal Jain Senior Secondary Public School, Jagraon, the second prize went to HKS Model Senior Secondary Public School, the third prize was secured by GTB National Public Senior secondary School, Dakha, Govt. Senior Secondary school Sidhwan Kalan and HKS Model Senior Secondary Public School. In the quiz at the college level, the first prize was bagged by SCD Govt College, Ludhiana, second prize by Govt.

Science College, Jagraon, and GCG Ludhiana and third prize to Khalsa College for Women, Sidhwan Khurd.

In the Power Point presentation on the topic "Innovation in Sciences" at the college level, the first prize was bagged by Khalsa College for Women, second prize by Govt Science College, Jagraon, and the third prize was shared by Gujranwala Guru Nanak Khalsa College, Ludhiana, and SCD Govt College, Ludhiana. Prof Mahinder Singh Jassal, Prof Harmandeep Kaur and Prof Savita Sharma were judges on the occasion. Prof Sumedha Syal, programme coordinator, was congratulated by the staff on the success of the programme. A popular lecture series on innovation in sciences, pre-prepared poster presentations and still and working model competitions will be conducted in the college on October 21.

Science fiesta at Govt Science College concludes

TRIBUNE NEWS SERVICE

LUDHIANA, OCTOBER 21

Government College of Science Education and Research, Jagraon, organised a science fiesta sponsored by the Department of Biotechnology, Ministry of Science and Technology, Government of India, New Delhi, to inculcate scientific aptitude among students.

On the inaugural day, quiz, PowerPoint presentation and essay-writing competitions were held at school and college levels. In the quiz competition (schools), the first prize was bagged by the team from Government Girls Senior Secondary School, Jagraon; followed by GTB National Public Senior secondary School, Dakha, and Government Senior Secondary Smart School, Jagraon. The third prize was secured by Government Senior Secondary School, Sidhwan Kalan, and HKS Model Senior Secondary Public School
